ABOUT AWAISJEE INDUSTRIES.

AwaisJee Industries has manufactured and exported sports goods, combat sports equipment and sportswear since 1979. Our leather range covers motorbike suits, jackets, vests and gloves, plus fashion leather jackets, coats, driving and dress gloves and belts.

Every line in this catalogue is made to order, to our standard specification or as a fully customised OEM / private-label build. We hold no stock. We work to your specification on materials, colourways, logo placement, packaging and labelling.

Production is in-house from cutting through stitching to final QC, which keeps quality consistent across repeat orders.
