ABOUT AWAISJEE INDUSTRIES.

AwaisJee Industries has manufactured and exported sports goods, combat sports equipment and sportswear since 1979. Our range spans five divisions: combat sports and martial arts, fitness, teamwear, leather and motorbike wear, and sports balls.

Every line in this catalogue is made to order, to our standard specification or as a fully customised OEM / private-label build. We hold no stock. We work to your specification on materials, colourways, logo placement, packaging and labelling.

Production is in-house from cutting through stitching to final QC, which keeps quality consistent across repeat orders.
