ABOUT AWAISJEE INDUSTRIES.

AwaisJee Industries has made and exported sports goods, combat sports equipment and sportswear from Sialkot since 1979. AwaisJee Printing & Packaging is the print and packaging side of our private-label service: retail boxes, bags, tags, labels, barcodes, shipping cartons and small packaging for cosmetics and personal care, all printed to your artwork.

Order it with your AwaisJee goods, so the order arrives ready for your shelf, store or warehouse, or order it on its own for products you make or source elsewhere. Everything is made to order. We hold no stock.

We check every file, send a proof for your approval and make a physical sample before bulk. Packs that hold a formula are produced with specialist partners in suitable grade materials.
