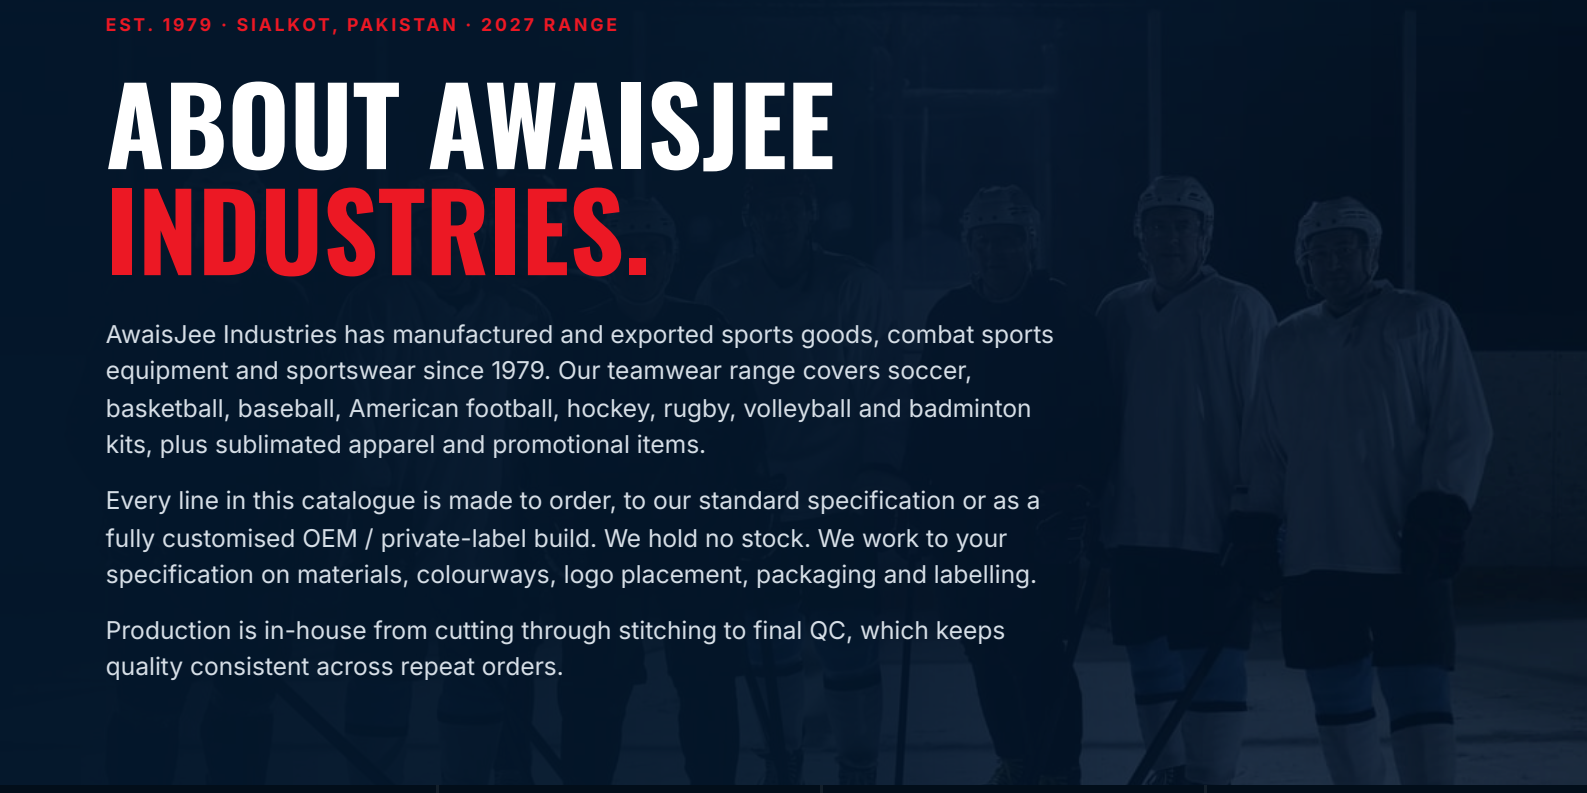
# ABOUT AWAISJEE INDUSTRIES.



AwaisJee Industries has manufactured and exported sports goods, combat sports equipment and sportswear since 1979. Our teamwear range covers soccer, basketball, baseball, American football, hockey, rugby, volleyball and badminton kits, plus sublimated apparel and promotional items.

Every line in this catalogue is made to order, to our standard specification or as a fully customised OEM / private-label build. We hold no stock. We work to your specification on materials, colourways, logo placement, packaging and labelling.

Production is in-house from cutting through stitching to final QC, which keeps quality consistent across repeat orders.
